

# Donor Confidentiality Statement

ASHRAE and the RP Committee strongly believe in protecting the privacy of its donors and the confidentiality of information concerning them. Donor records, both hard copy and electronic, and other donor information should be considered highly confidential and only distributed to volunteers working on behalf of the RP Campaign. Please treat donor information on a 'need to know' basis for each volunteer. If you have any questions, please contact RP Staff at [rp@ashrae.org](mailto:rp@ashrae.org).

In support of ASHRAE's donors, the RP Committee promotes the Donor Bill of Rights, which was created by the American Association of Fund Raising Counsel (AAFRC), Association for Healthcare Philanthropy (AHP), the Association of Fundraising Professionals (AFP), and the Council for Advancement and Support of Education (CASE). It has been endorsed by numerous organizations and is found [here](#).

ASHRAE's current overall privacy, security, and confidentiality policy is found [here](#).
